Testimony in Opposition of HB 6816 An Act Concerning Microstamping Enabled Pistols, Raising the Age to Purchase Ammunition and Restricting the Sale and Possession of Body Armor

Chairmen and Members of the Judiciary Committee,

The CT Republican Assembly is an organization which has members and friends totalling over 500 Republicans and conservatives across the eight counties of Connecticut. We stand firm in our principles and unalienable Rights under the US Constitution, as well as the Rights and responsibilities within the Connecticut Constitution. I am Anne Manusky, 24 year Connecticut resident, former Licensed Professional Counselor, and current President of the CT Republican Assembly.

Our [US Constitution. Second Amendment](#) provides *A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.*

This bill, if enacted into law, removes or restricts the Second Amendment Rights of the People of Connecticut.

CT General Assembly attorneys should review bills for Constitutionality.

Vote No.

Sincerely,

Anne Manusky, M.Ed.,  
President
